PTA Executive Board Elections

It is that time again! Time to **nominate and vote** for our next **PTA Board!** We encourage any of you who have thought you may want to be a part of the board to consider running for one of the

Executive Board positions. Due to our bylaws, Executive Board members can only hold a position for two consecutive years. Because of this, every current board member must be replaced or moved to a different board position.

Our current Executive Board consists of parents who travel for their job, are stay-at-home-parents, and everything in between! Your New Providence PTA is extremely fortunate to have amazing support from the school's administration, staff and teachers. The group of volunteers who help make your PTA run are beyond amazing as well, and step up when asked to help.

Please be on the lookout for the **nomination forms** that will be sent home with your child in the coming weeks. We ask that you consider running for a board position as we always encourage new faces with new ideas to help us grow as a team. If you have questions about the nomination process or the Executive Board position responsibilities, please email us at

NewProvidencePTA@gmail.com.

WE COULDN'T DO IT WITHOUT YOU!
