Boosterthon FUN RUN Success!

Greetings NPE Family,

We are pleased to announce that this year's Boosterthon FUN RUN raised more than **\$30,000** for New Providence Elementary School! This is more than any of our previous Boosterthons in years past! Way to go Lions!

A majority of the funds will be used to purchase Playground Sunshades, but there are also many academic programs these dollars will be funding this year. To fulfill these needs, we must collect 100% of the dollars pledged. So far, we have collected 88%. Please be sure to

turn all pledge money in by **Friday, 9/30.**

Thank you to our Boosterthon chairpersons, Jackie Penney & DeeDee White, for all their hard work this year, along with the many volunteers who pitched in to hand out water and cheer on the students. Also, thank you to Mrs. Poole and her entire staff who played an integral part in making this a fun event for the kids.

The success of this fundraiser could not have been possible without our wonderful NPE parents and community. Thank you to all who have supported our school!
