## PARENT ENGAGEMENT=STUDENT SUCCESS

Did you know that you can access your child's grades in real-time? You can even receive a push-notification on your mobile device when a new assessment grade is published. Parents who are actively involved in their child's education can help keep them on track.

The PowerSchool Mobile App is an easy and convenient way to access important student data. It allows you to view each individual assessment and assignment grade that is recorded by your child's teacher, giving you a way to keep your finger on the pulse of your child's performance in school. You can view all of your children's data under one parent account. Knowing your student's grades and assignments is a great starting point to discuss progress, offer help, or give congratulations!

**PowerSchool Mobile**

The PowerSchool Mobile App is available for all NPE families. Install the app on your mobile device for quick access to:

- Grades
- Assignment Info
- Attendance
- Much More!

Lexington 1 School District Code:  
**QZPR**

*Download it to any iOS or Android device and use the Lexington 1 School District code shown above. If you have never logged into PowerSchool online, you will first need to contact the NPE front office for your child's code.*

## BOX TOPS FOR EDUCATION

Did you know that you can now help NPE earn even MORE money with your Box Tops? *There's an app for that!*

The Box Tops for Education program now has a **Box Tops BONUS App** that allows your box tops to work even harder for our school! In addition to the hard-copy box top that you turn in on our designated collection dates, you can **DOUBLE** our school's earnings by using your smartphone to scan store receipts (if you are familiar with the Ibotta app, it works similarly). <http://www.boxtops4education.com/bonusapp>

The app is available for free via the *iTunes App Store* or via *Google Play*. It's easy to use and not only helps our school earn even more money from the box tops, but it also lets you track how much you've contributed with the bonus app. You can even go online and see how much our school has earned!

At our most recent Box Top collection in September, we collected **7,688 Box Tops** – earning our school **\$769!** Think about how much more we could earn if our NPE families were also submitting receipts via the app! Please note – the app does NOT replace our hard-copy collections. It works **IN ADDITION** to those!
