

# LEGO LIONEERS

## A LEGO CODING & STEM CLUB FOR THE FUTURE

What are 'Lego Lioneers'?

### WE ARE THE FUTURE!

We are the forefront in exponential technology. NPES is a leader in coding and STEM technologies. We hope to push students even further this summer with challenging build mechanics, extensive coding & in-depth troubleshooting. Are you up for the task?

If you are a rising **4th or 5th** grader, please join us for one of our summer sessions. Here are some of the exciting things you will do:

- ◆ Craft structures that can withstand natural disaster (floodgates, earthquake-proof buildings)
- ◆ Design & build manufacturing equipment (cranes, assembly lines)
- ◆ Create robots that will react accordingly to various stimuli (autonomous cars, security gadgets)
- ◆ And more!!

We are offering two sessions which will continue for two weeks (Monday through Thursday) from **1:00 - 4:00 pm**. Feel free to bring a snack! For any questions, please contact Matthew Turner at [mturner@lexington1.net](mailto:mturner@lexington1.net). Complete the registration form below and return with payment to **New Providence Elementary by Friday, June 1st**.

**Cost: \$150 per session\***

(\*payment is non-refundable. We accept cash, credit card & checks - made payable to NPE)

Please select your session:

- Session I:** June 11- 14 and June 18 - 21
- Session II:** July 9 - 12 and July 16 - 19
